

PRIVACY_DISCLAIMER

YOUR PRIVACY IS VERY IMPORTANT TO US. AT B_ROBOTS WE HAVE A FEW FUNDAMENTAL PRINCIPLES (BASED ON THE GDPR LEGISLATION) THAT WE FOLLOW:

We don't ask you for personal information unless we truly need it. E.g. when you want to receive answer to one of our online contact forms, we ask for your email address. We don't share your personal information with anyone except to comply with the law, develop our products, or protect our rights. We don't store personal information on our servers unless required for the on-going operation of our site. Freedom to dismiss cookies whenever you want (please contact info@b-robots.be if these functionalities do not work properly). It is B_robots's policy to respect your privacy regarding any information we may collect while operating our website.

AN OVERVIEW OF THE INFORMATION WE GATHER:

We don't ask you for personal information unless we truly need it. E.g. when you want to receive answer to one of our online contact forms, we ask for your email address. We don't share your personal information with anyone except to comply with the law, develop our products, or protect our rights. We don't store personal information on our servers unless required for the on-going operation of our site. Freedom to dismiss cookies whenever you want (please contact info@b-robots.be if these functionalities do not work properly). It is B_robots's policy to respect your privacy regarding any information we may collect while operating our website.

WEBSITE VISITORS

Like most website operators, B_robots collects non-personally-identifying information of the sort that web browsers and servers typically make available, such as the browser type, language preference, referring site, and the date and time of each visitor request. B_robots's purpose in collecting non-personally identifying information is to better understand how B_robots's visitors use its website.

B_robots does not collect potentially personally-identifying information like Internet Protocol (IP) addresses when tracking a user ID. Instead, B_robots ensured that this data is being made anonymous by IP anonymisation.

GATHERING OF PERSONALLY-IDENTIFYING INFORMATION

Certain visitors to B_robots's websites choose to interact with B_robots in ways that require B_robots to gather personally-identifying information. The amount and type of information that B_robots gathers depends on the nature of the interaction. B_robots does not disclose personally-identifying information other than as described below. And visitors can always refuse to supply personally-identifying information, with the caveat that it may prevent them from engaging in certain website-related activities.

AGGREGATED STATISTICS

B_robots may collect statistics about the behaviour of visitors to its websites. For instance, B_robots may monitor the most popular pages or use spam screened by the Akismet service to help identify spam. B_robots may display this information publicly or provide it to others. However, B_robots does not disclose personally-identifying information other than as described above.

COOKIES

A cookie is a string of information that a website stores on a visitor's computer, and that the visitor's browser provides to the website each time the visitor returns. B_robots uses cookies to help B_robots identify and track visitors, their usage of B_robots website, and their website access preferences. B_robots visitors who do not wish to have cookies placed on their computers should set their browsers to refuse cookies before using B_robots's websites, with the drawback that certain features of B_robots's websites may not function properly without the aid of cookies. For Google Chrome users, an add-on is provided to block these cookies. At first visit, the user will be asked to allow cookies. As long as this consent is not given, cookies will automatically be blocked.

ADS

Ads appearing on any of our websites may be delivered to users by advertising partners, who may set cookies. These cookies allow the ad server to recognize your computer each time they send you an online advertisement to compile information about you or others who use your computer. This information allows ad networks to, among other things, deliver targeted advertisements that they believe will be of most interest to you. This Privacy Policy covers the use of cookies by B_robots and does not cover the use of cookies by any advertisers.

PRIVACY POLICY CHANGES

Although most changes are likely to be minor, B_robots may change its Privacy Policy from time to time, and in B_robots's sole discretion. B_robots encourages visitors to frequently check this page for any changes to its Privacy Policy. Your continued use of this site after any change in this Privacy Policy will constitute your acceptance of such change.
